

Dear Ms. Qu Shunhai,

Your print publication has been recorded **permanently** in the ISSN Register as follows:

ISSN 2309-5288 = JOURNAL OF COASTAL LIFE MEDICINE

Please note the instructions hereafter (taken from the ISO standard 3297 which defines the ISSN and its uses):

• **print this ISSN prominently on each issue of your publication**, preceded by the letters ISSN, preferably in the upper right hand corner of the cover page;

§ **distinct ISSN have to be assigned if different versions of your publication are published** (different languages versions, different media versions such as online, CD-ROM, etc.). Please submit one ISSN request for each version at <http://www.issn.org/2-22652-Requesting-an-ISSN.php>:

§ **as the ISSN is permanently linked to the key title, please let us know any changes in the title of your publication** and send the appropriate copies (title and cover pages with the new title printed on) to issnic3@issn.org so that we can check whether a new ISSN assignment is needed or not;

§ please let us know also all the other changes (publisher's name, place of publication, frequency ...) so that we can update the description of your publication accordingly in the ISSN Register.

Do not hesitate to contact us at issnic3@issn.org if you need more information.

Yours sincerely,

ISSN International Centre
